

2010 2-MILE Walk

Saturday, April 10th at 10:00AM
Olentangy Hyatts Middle School
6885 Sawmill Parkway
Powell, Ohio 43065

SPONSOR AND DONOR ENROLLMENT FORM

- 🔊 **WHO?** Students & families will host and participate in the event open to the Olentangy community. Registered participants will walk the two-mile marked course surrounding the school.
- 🔊 **WHAT?** The second annual 2-MILE Walk at Hyatts Middle School will raise money for Brain Cancer Research and for the Holibaugh Healing Hands.
- 🔊 **WHEN?** Saturday, April 10, 2010 at 10:00A.M.
- 🔊 **HOW?** Sponsors contributing \$200.00 or more are encouraged to bring an outdoor banner or set up a table in the registration area that morning before the walk. Please attach your logo, card, coupons, etc... to this form and you will receive acknowledgement of your donation.
- 🔊 **WHY?** Brain tumors are the leading cause of solid tumor cancer deaths in children through high-school age. Brain tumors are the second leading cause of cancer deaths in young adults ages 20 to 39. Because of their location at the control center for thought, emotion and physical function, brain tumors are difficult to treat, and they often severely compromise the quality of life. The cure rate for most brain tumors is significantly lower than that for most other types of cancer. Brain tumors do not discriminate - everyone is susceptible. Currently, brain tumors cannot be prevented because their cause is still unknown.

*Facts from the National Brain Tumor Society
