

ST. JOAN OF ARC BASEBALL

2013 Fundraiser Mulch Options

Processed Hardwood

Hardwood Mulch is a double-processed product that is dark in color with a natural appearance. Because of its color, it tends to accent most plants better than some of the lighter colored mulches. This mulch will decompose and break down, acting as a natural soil conditioner.

Absolute Black Shredded Hardwood

Absolute Black Hardwood mulch is a color-enhanced substitute for hardwood mulch. This shredded hardwood product has been colored with a vivid, long-lasting black hue.
